Dear Local Business Owner/Manager:

Over the last 44 years, the Fargo Moorhead Sertoma Club has provided an important service to the community by arranging for the display of our nations flags at Lindenwood Park located at 1905 Roger Maris Drive South in Fargo. Many businesses have been long time supporters of this program since it started, providing funds for the purchase, care and placement of the flags on designated holidays and days of honor and recognition, commemorating our veterans, our history, our leadership and our losses.

There are six days a year that the flags will be put out on Roger Maris Drive South in Fargo. Those days are – Armed Forces Day, Memorial Day, Flag Day, Independence Day, Labor Day and September 11th.

You and your business can be part of this community effort by sponsoring one or more flags. For an annual contribution of \$35.00 per flag or three flags for \$100.00. The F-M Sertoma Club will acquire the flags, put them up, take them down and store them until their next display date. They will be put up in the morning of the holiday and removed that same afternoon.

We know this is a proud, colorful and attractive expression of our community's love and respect for our flag and country as well as the brave men and women who have, and will serve to keep us free and secure.

Please take a moment and download the "Sign Up Here" form. It's located on our website at [www.fmsertoma.com](http://www.fmsertoma.com) and fill it in and send it along with your check for the number of flags you wish to sponsor, to the address at the top of this letter.

Just so you know, 100% of the proceeds raised from our flag service subscribers stays right here in the Fargo-Moorhead area, and is spent helping adults and children in need, with speech and hearing disabilities.

Thank you,  
The F-M Sertoma Club
