

A Fund Raising Invitation to Area Schools and School Affiliated Organizations and Clubs

The Fargo Moorhead Sertoma Club invites area schools and school related organizations and clubs to raise funds for their group while helping promote Holiday Lights in Lindenwood Park. When a certificate which includes your group's name is presented at the Holiday Lights admission booth while paying the regular admission fee your club will earn \$2.00. The organization with the most collected certificates at the end of the one-month event will receive a \$100 bonus. For proper credit the standard certificates (also posted to this site) should be edited to include the name of your school or organization. Groups may distribute the certificate by paper or electronically. Certificates will not be available at the admission booth.

The 21st annual Holiday Lights event will open Thursday, November 26 and close Thursday, December 31, 2020. We hope to keep all participating groups updated on their fundraising progress at our F-M Sertoma website <https://fmsertoma.com> or Facebook page ("fm sertoma).

For proper credit please send an email with the name of your group along with the name and address of an individual designated as the group's contact to Bruce Hanson at brucehansonbrsfd@gmail.com . Please use the email address above or text (701-261-9734) if you have any questions.

Thank you for your consideration.

Bruce Hanson
