

# Sertoma Club of Fargo Moorhead American Flag Displays in Lindenwood Park and Trollwood Performing Arts Center

Dear Community Member or Business Owner

For nearly 50 years the Fargo Moorhead Sertoma Club has provided an important patriotic service by arranging for the display of the American flag throughout the community. Most recently we have provided flag displays at both Lindenwood Park (1905 Roger Maris Drive South in Fargo and Trollwood Performing Arts Center, 801 50th Ave S, Moorhead. These proud, colorful and attractive displays are expressions of our community's love and respect for our flag and country and are much appreciated by the community.

Past community support has provided funds for the purchase, care and placement of the flags on designated celebrated holidays and days of recognition for our brave veterans. There are seven days a year that the flags will be displayed in Lindenwood Park; Armed Forces Day, Memorial Day, Flag Day, Emancipation Day, Independence Day, Labor Day and September 11th. Flags are displayed at Trollwood/Blue Stem during their annual summer main stage performances, the Andrew Nelson Memorial Cross Country Meet and when a major event is held on a date near a national holiday.

Individuals and local businesses can be part of the community effort to maintain the flag program. For an annual contribution of 50.00 an individual or business may support the flag program at the **Stars** level or for \$100 or more the **Stripes** level. Proceeds raised by flag sponsorship also provide funds to support various community projects including the Emergency Food Pantry, YWCA and Trollwood Performing Arts.

Please take a moment and complete the sponsorship application found on this website indicating your preferred level of support and send it along with an accompanying check to the address at the top of this letter. Venmo is also an accepted means of payment.
